DIRECTIONS

From junction 31 of the M6 take the A59 East towards Blackburn. Stay on the A59 past the Aerodrome (BAE Systems). After approximately 4 miles you arrive at a roundabout, go straight on and the entrance to Causeway Farm can be found up the hill on the left after approximately 600yards.

PLANNING

The buildings are offered for sale for a commercial use, however at the present date no planning consents are in place for that use. The purchaser must satisfy themselves that consent could be granted for any proposed commercial use.

VIEWINGS

As the properties are secured and set amongst a farmstead viewings will be accompanied and strictly by appointment only with ourselves as agents.

METHOD OF SALE

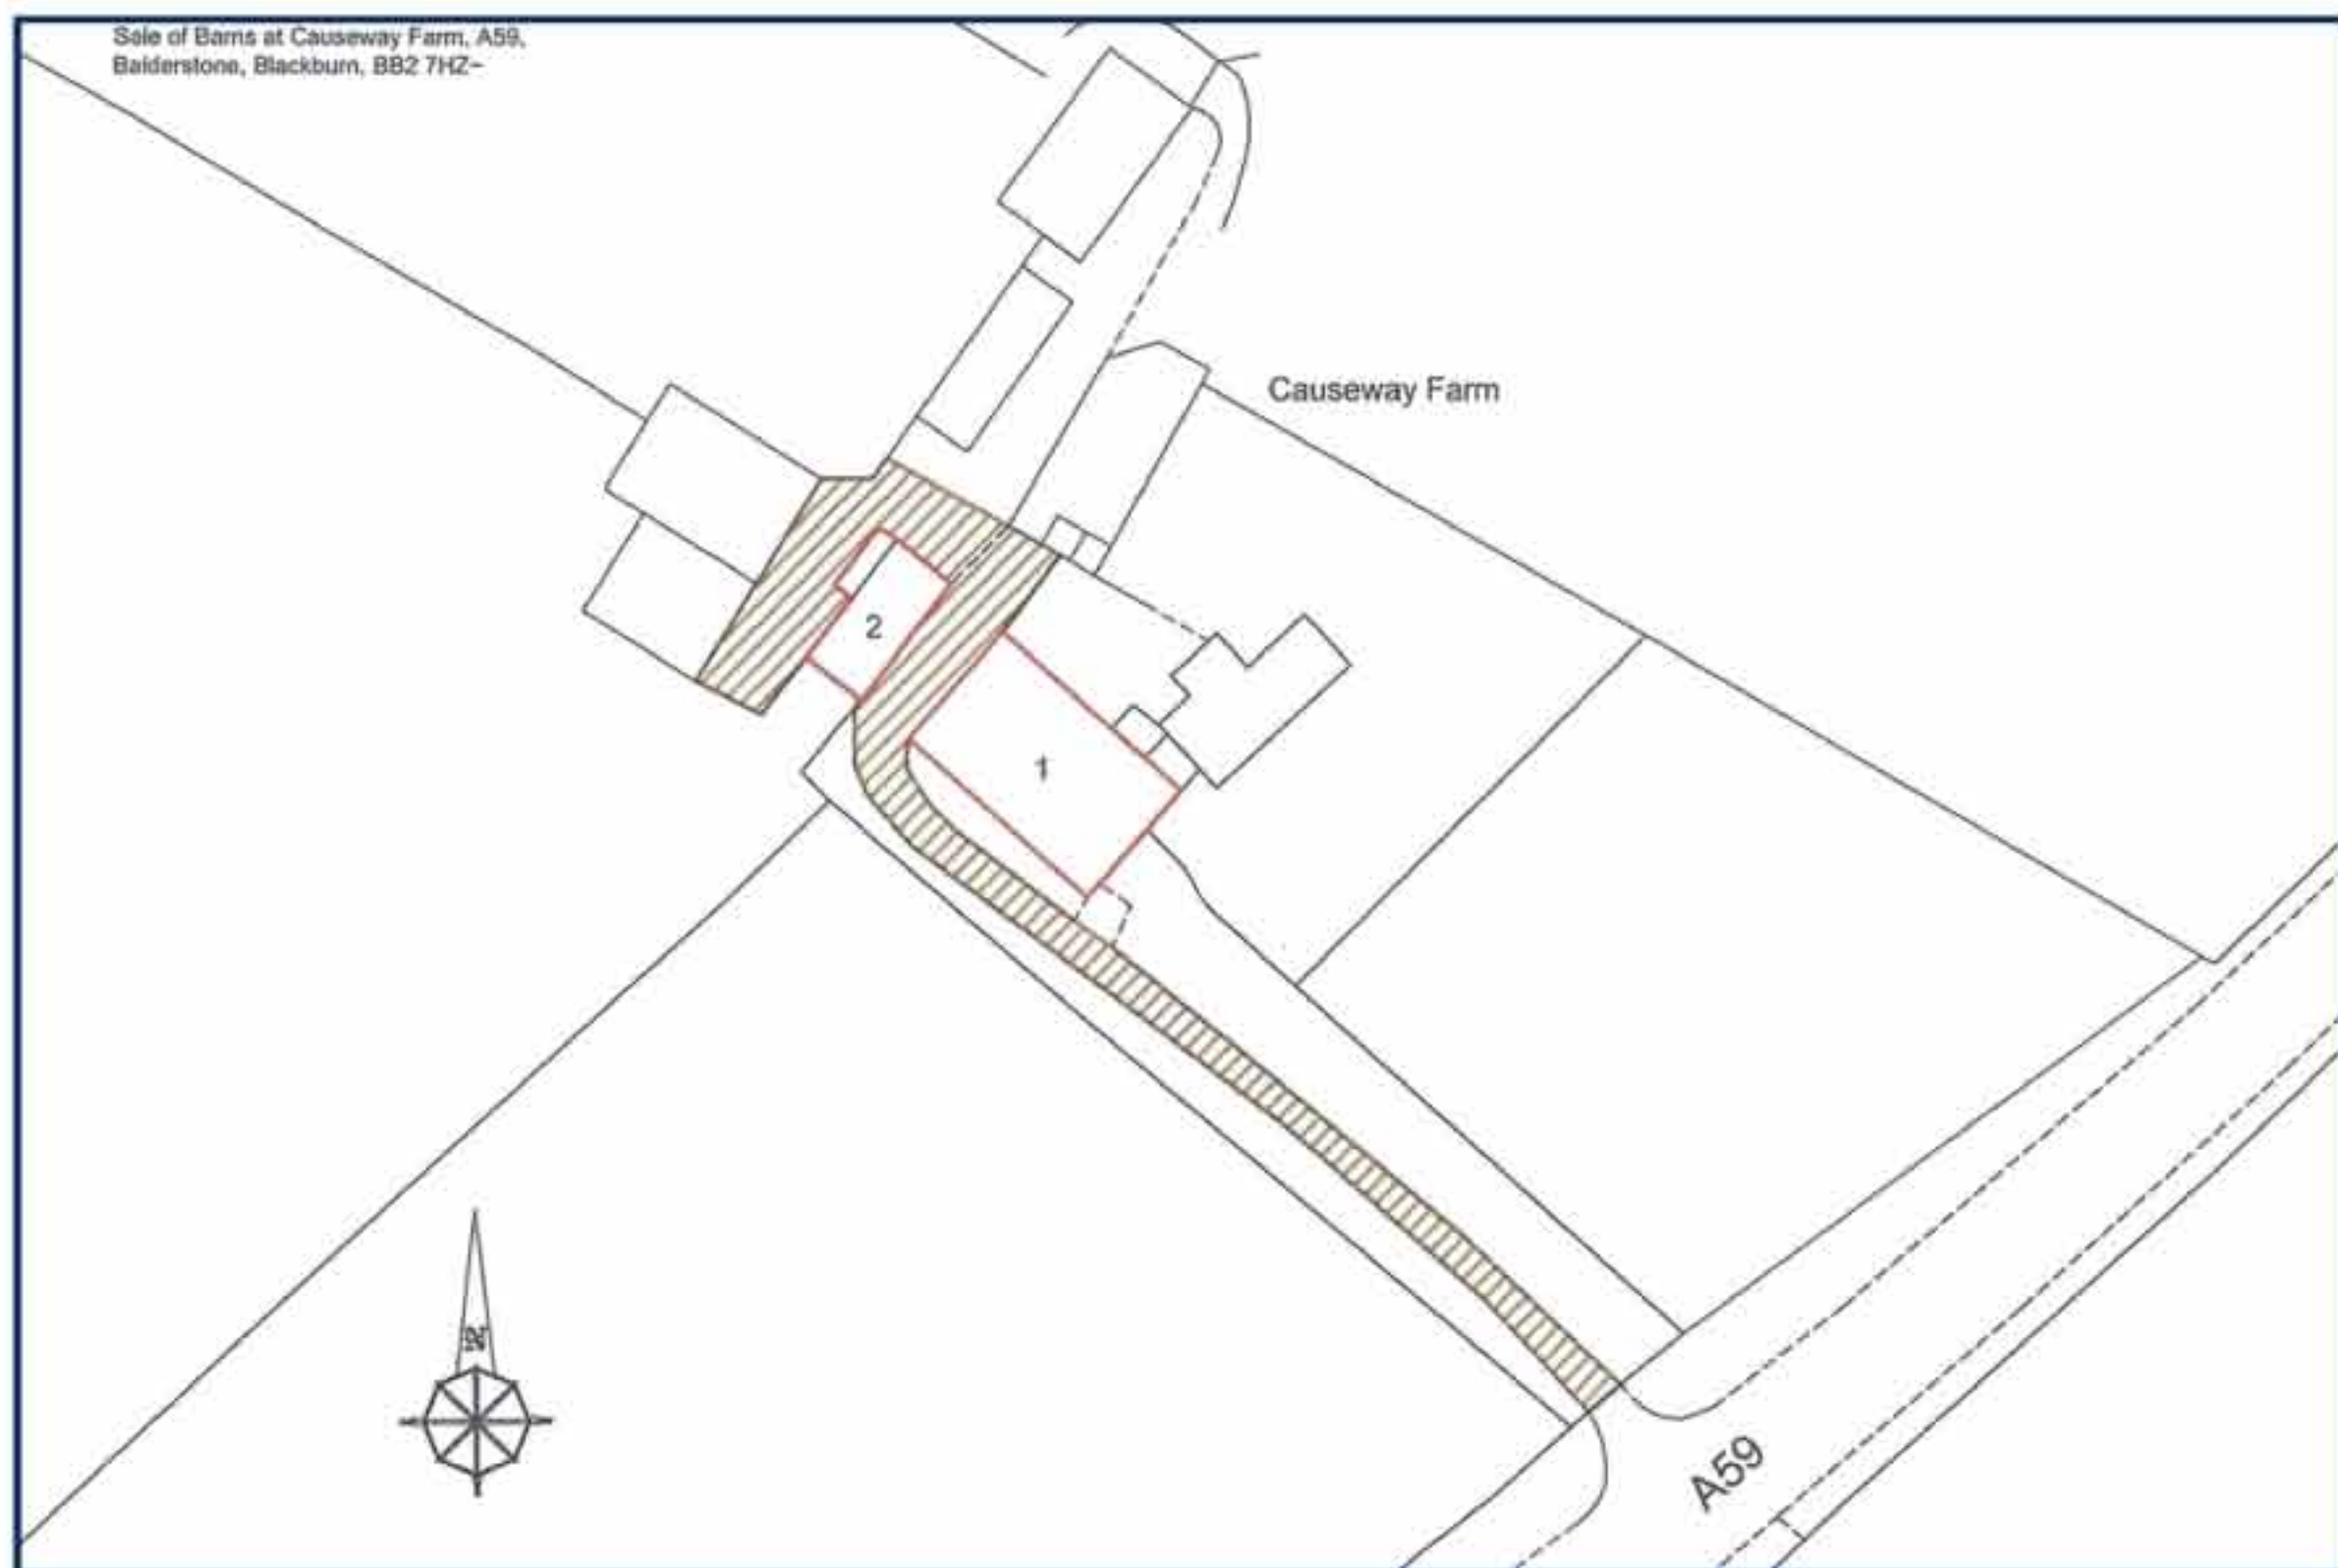

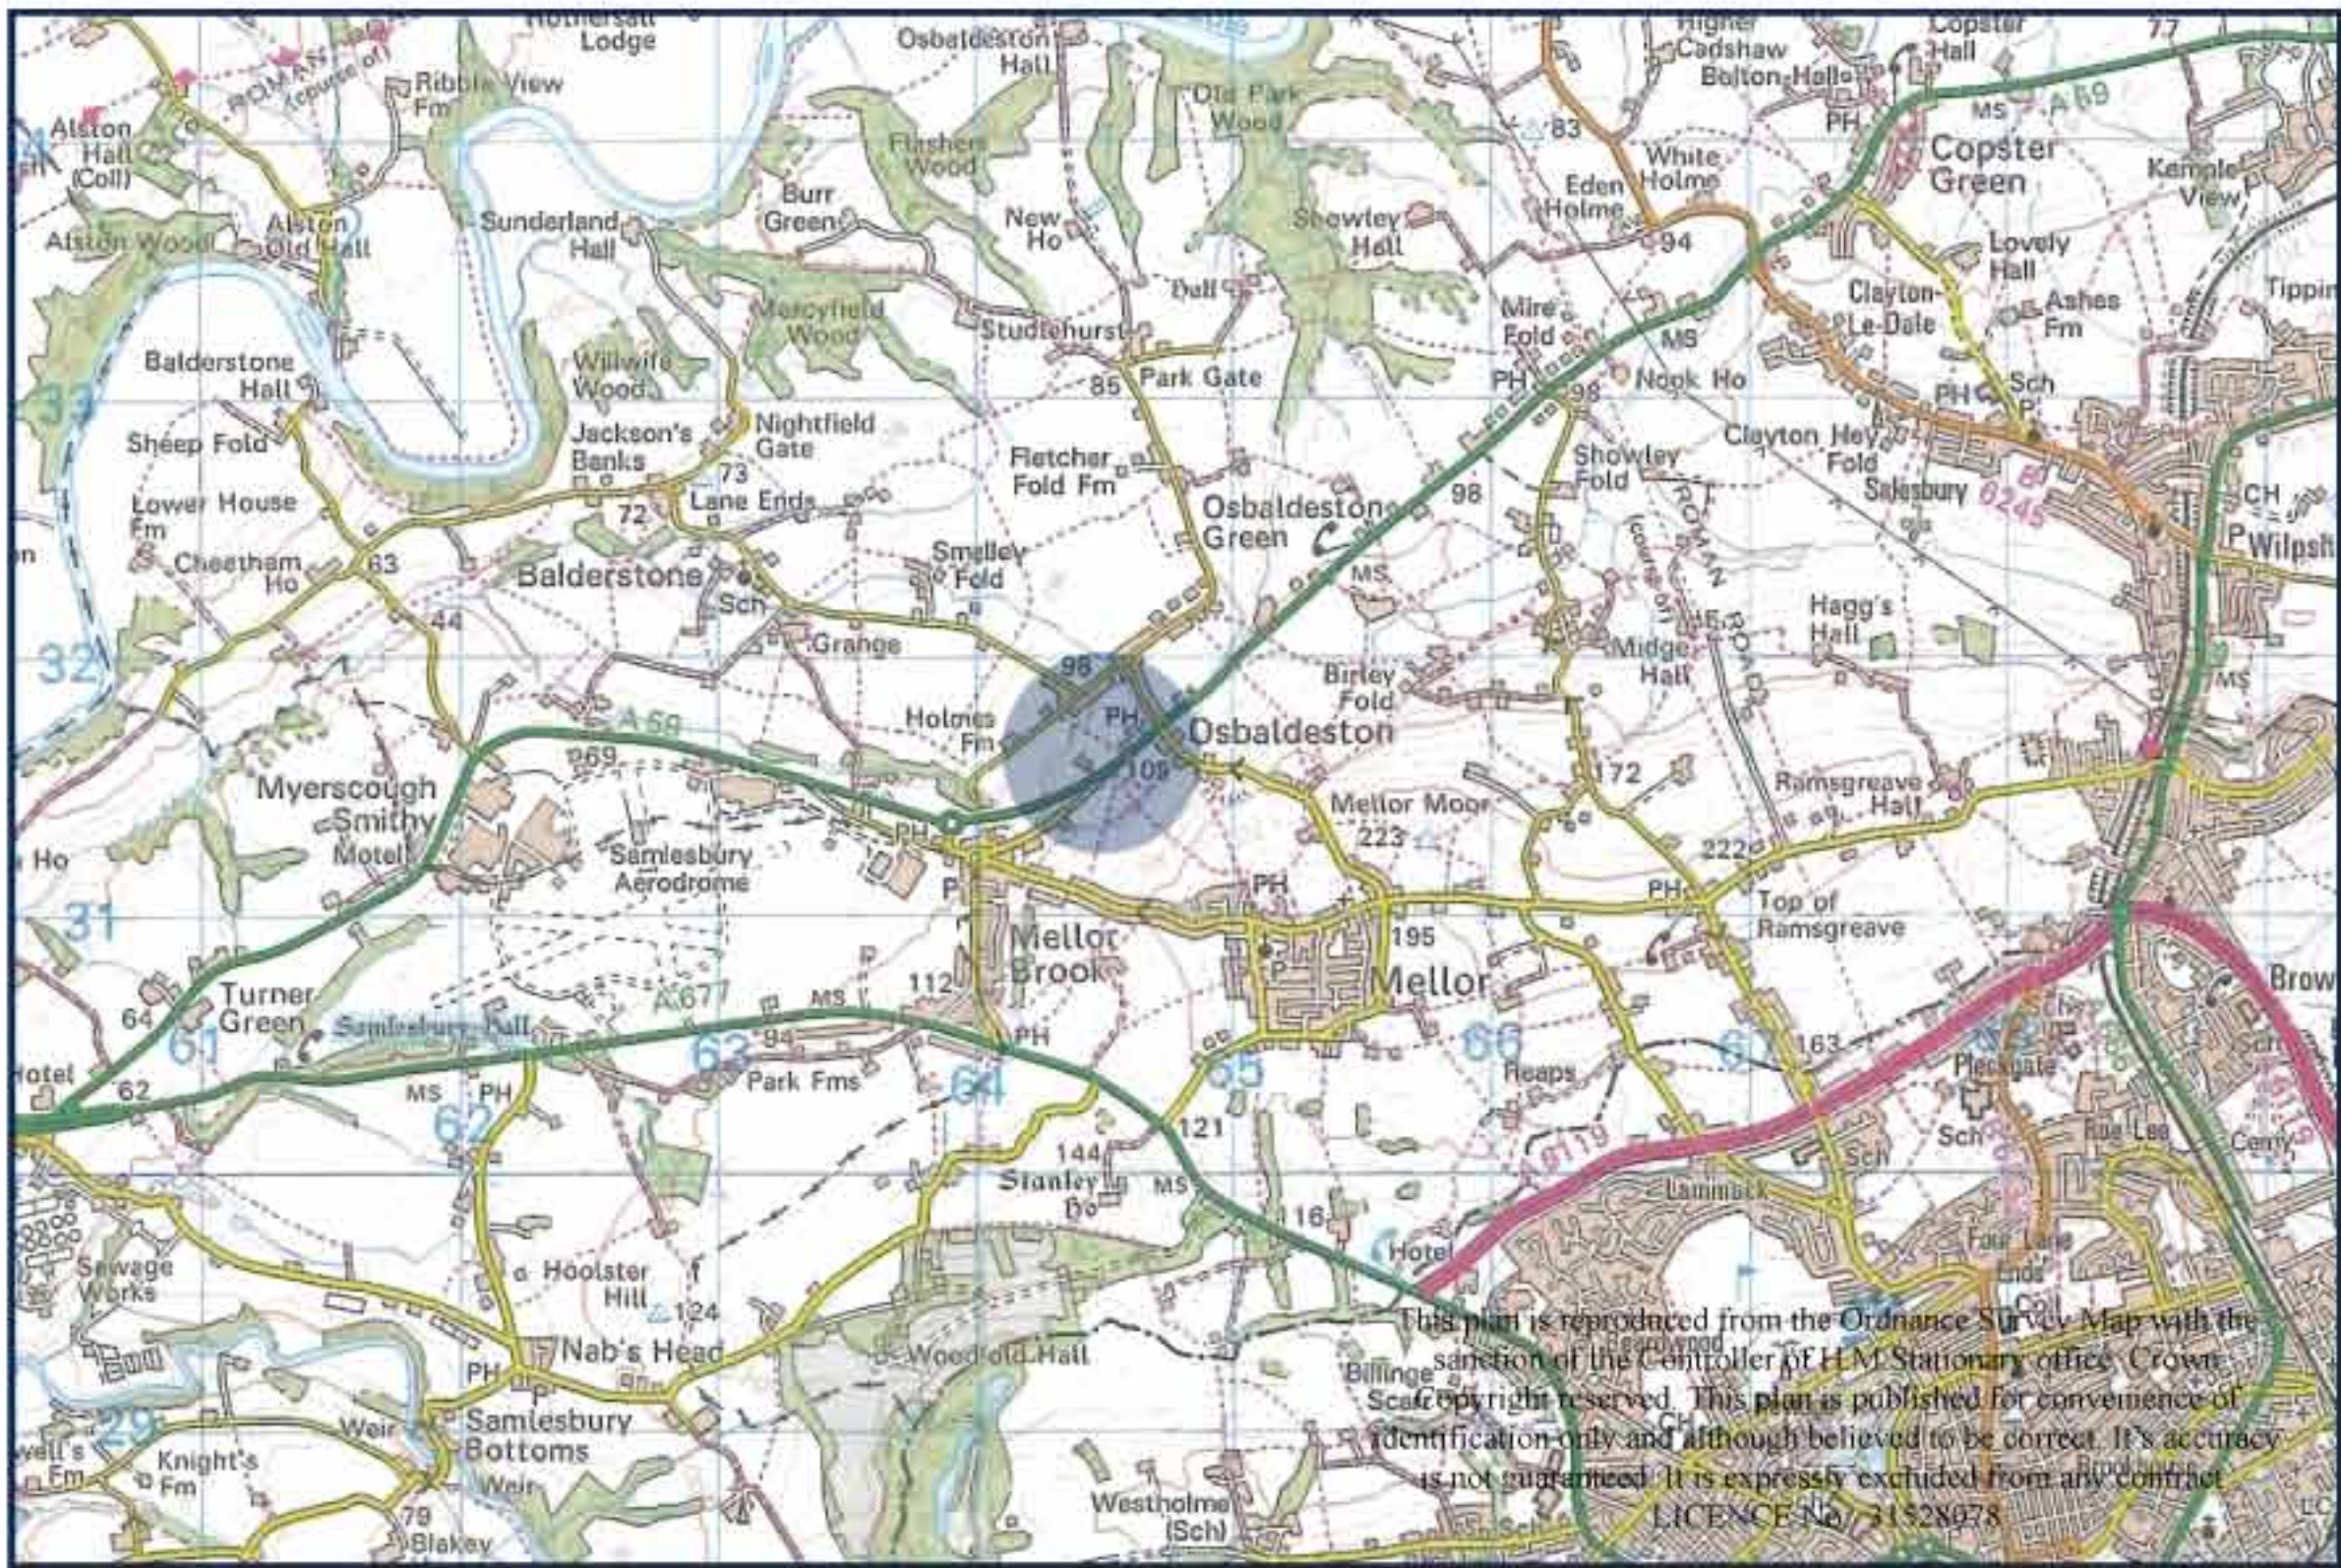

The properties are offered for sale by private treaty. If an offer is accepted by the vendor then an option agreement can be entered into giving a reasonable period of time for a planning application for a proposed commercial use to be submitted to and determined by Ribble Valley Borough Council. The property will be sold subject to a restrictive covenant that if at a later date consent is obtained for an alternative use to commercial then the resulting uplift in value will be payable to the vendor in full at that date.

PRICE GUIDE

are

As no specific consent for a commercial use exists at the present time it is very difficult to know what uses are proposed and therefore what a suitable guide price will be. As a result offers invited in the region of £220,000.
